## ***Will Iran Go Nuclear?***

### ***The Crisis Over Iran's Nuclear Program***

The resumption of Iran's nuclear program has once again focused the world's attention on the issue of nuclear nonproliferation. With the United States and others demanding that Iran suspend its newly restarted nuclear program and Iran threatening to withdraw from the Nuclear Non-Proliferation Treaty, this panel discussion will be an important opportunity to assess the threat and discuss strategies to end the standoff.

#### **Moderator**

**Ellen Laipson: President & CEO of the Henry L. Stimson Center & former Vice Chairman of the National Intelligence Council.**

#### **Featured Panelists**

**Joseph Cirincione: Senior Associate and Director for Non-Proliferation at the Carnegie Endowment for International Peace**

**Geoffrey Kemp: Director of Regional Strategic Programs at The Nixon Center.**

**Trita Parsi: Middle East Specialist at Johns Hopkins SAIS and Author of Upcoming Book on Israel and Iran.**
