*Join us as we explore
human rights in the 21st
century*

**Despite increased news on
conflict, migration &
globalization, human rights
violations persist across the
globe. Throughout the day we
will explore issues such as
human rights laws, gender
equality, responsibilities of the
international community, and
much more.**

Earn 5 professional development
credit hours and enjoy a free
lunch.

Free parking is available on sight
with validation.
